PREFACE

The *Listing of Caribbean Titles, 2011* is the seventh issue in this series released by the Regional ISBN Agency. This edition which provides information on over **725** titles that were assigned ISBNs in 2011 is based largely on data submitted by the National ISBN Agencies located in the Bahamas, Belize, Jamaica and Trinidad and Tobago. Information received by the Regional Agency directly from other publishers in Barbados, Guyana, the OECS and other territories in the Caribbean is also included. This product which is also available on CD provides contact information on approximately 324 publishers who were allocated ISBNs during the period.

The information in the Listing can be accessed under Title, Author and Publisher. For more information on the publishers registered with the Caribbean Regional Agency, the *Directory of Caribbean Publishers* is an excellent related resource.

The Regional ISBN Agency acknowledges with appreciation, the invaluable assistance of Cecily Crum-Ewing in the production of this listing.
